# Welcome to OxAI!

We have been working hard over the last few months to usher in a new era of OxAI this Michaelmas. We start with an exciting commencement ceremony, with Jake Walker, from Google.AI and our OxAI team. We strongly recommend you to attend this ceremony since we will show our roadmap for the next 12 months.

### Contents:

1. Register in OxAI for 2018/2019
2. Join us at our stand at Freshers' Fair - 3-4/10/2018 at Examination Schools
3. Get your tickets now for the OxAI Commencement Ceremony - 10/10/2018 5:30 pm
4. Term Card for Michaelmas is live: 20 activities (10 events and 10 education sessions)
5. Submit AI projects to OxAI Research
6. Thinking of an AI Job for your future? Join OxAI Careers
7. Learn the basics of the new era of OxAI (Education, Research, Community, and Careers)
8. Interested in helping OxAI's team? Join OxAI's Collaborators Community

### ***Welcoming our new sponsors and Partners***

Welcoming our new sponsors:

**Platinum:** Oxford University Innovation (OUI)

**Gold:** Quantum Black, TwoSigma

We are excited to continue with previous sponsors.

**Bronze:** G-Research, Founders Factory

We appreciate very much the valuable support from our partners:

Oxford Maths Institute, Oxford Foundry, and Future of Humanity Institute

### **1. Register in OxAI for 2018/2019**

Register for the current academic year by filling out this form:

[oxai.org/join](https://oxai.org/join)

Old members are requested to fill out this form to continue to receive OxAI updates.

## 2. Join us at our stand at Freshers' Fair - 3-4/10/2018 at Examination Schools

OxAI will be at Oxford's Freshers' fair on the 3rd and 4th of October. If you are interested in connecting with the team that will be there.

## 3. Get your tickets now for the AI Commencement Ceremony - 10/10/2018 5:30 pm

Join OxAI in welcoming Michaelmas Term with our first event!!!

Jake Walker, Product Manager at Google.AI, is coming from Mountain View, California. He will be speaking about the present and future of AI.

Get your tickets [here](#)

We will also be giving a general overview of the New Era of OxAI and sharing our plans and initiatives for this coming academic year. We have been working very hard and are very excited to share this with you so join us for this event.

## 4. Our Term Card is ready

We have a record high number of activities happening on Michaelmas so get your calendar ready.

You can now access our Term Card at [oxai.org/mt18-termcard.pdf](https://oxai.org/mt18-termcard.pdf)

## 5. Submit AI projects to OxAI Research

Submit [here](#):

Our research team will be reviewing your application

The OxAI Society promotes active collaboration and the sharing of ideas related to the expanding field of artificial intelligence among our members.

Our in-house research team is always looking for exciting projects to work. We can also provide advice or advertise projects with other members if you are recruiting a team

Your project can only be considered if you fill out and submit this form following the specified guidelines.

## 6. Thinking of an AI Job for your future? Join OxAI Careers

Join AI Career Initiatives by clicking [here](#)

OxAI is building connections with the leading companies and organizations in Artificial Intelligence/Machine Learning (AI/ML), and we want to share the career opportunities that arise with you! Join this initiative by submitting this application. It will only take you 3 minutes, and will help us serve your professional/career needs better.

Please reach out to [recruit@oxai.org](mailto:recruit@oxai.org) with any feedback or questions.

## 7. Learn the basics of the new era of OxAI (Education, Research, Community, and Careers)

We have important initiatives happening in terms of Education, Community, Research, and Careers

You can learn more by reading our [introduction document](#):

## **8. Interested in helping OxAI's team? Join the OxAI Collaborators Community**

We have a tremendous 18-member leadership team that are driving important initiatives in our four pillars: Education, Community building, Research, and Careers. You can join their efforts on bringing amazing initiatives that create value to OxAI's members.

We have initiated a program of OxAI collaborators where you can join members of the leadership team for specific projects.

The application for this program is available [here](#):
